

Plastic Trouble: A Graphic Novel, Part II

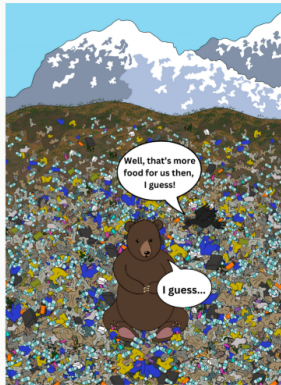

18 October 2024

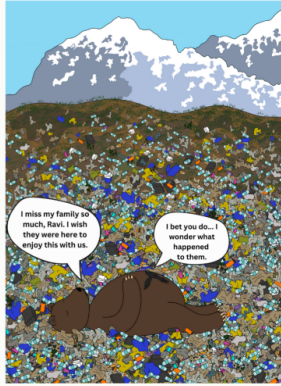

Imaginings

Have you already read **Part I** of Amiya and Ravi's journey?

Part II

Plastic Trouble is the story of Amiya, a young Himalayan brown bear exposed to plastic waste in the mountains she calls home. Come along on this four-part journey as Amiya wakes up from hibernation to face new, unexpected obstacles and meet new friends in the process.

Amiya and Ravi’s journey continues on the other side of dawn in **Part III**.
